

Maryland Transit Administration

ONGOING IMPROVEMENTS

*Here's how our work to make your ride better
might affect your travel plans.*

The Maryland Transit Administration works continuously to maintain and improve our infrastructure and facilities statewide. Here are the projects we're working on that are most likely to have an impact on the traveling public this month.

July 2016

METRO SUBWAY

Old Court Metro Station Roof Replacement

DESCRIPTION: Roof replacement.

IMPACT: Certain portions of the mezzanine level pedestrian walking areas will be temporarily closed and patrons will be redirected accordingly

Rehab and Repairs to Metro Aerial, Bridge, and Station Structures

DESCRIPTION: Concrete Repairs at the West Cold Spring Metro Station.

IMPACT: Certain portions of the mezzanine level pedestrian walking areas will be temporarily closed and patrons will be redirected accordingly.

LIGHT RAIL

Cromwell Light Rail Storm Water Facility Retrofit

DESCRIPTION: Maintenance on the existing storm water management pond on the south side of the parking lot and access road.

IMPACT: Construction will restrict part of the south drive along the curbed grass area, and between the entrance and parking area.

Mt. Washington & Lutherville Station Parking Lots Pavement Repairs

DESCRIPTION: Parking lot pavement repairs and ADA retrofits

IMPACT: Work may reduce the number of available parking spaces during construction.
